Owl Day Long

Talk about the best day ever!

Dear
Book Fair Chair,

We're talon you, it's gonna be a hoot! You're about to open a flap-tastic banner for your Book Fair featuring Eva Wingdale, everyone's favorite feathered friend. Eva will lead your students in a **Journaling Activity** to remember their favorite day.

Here's owl you need to know: Scan the first QR code with the camera app on your phone. Print the page from Eva's diary for each of your students. Then, hand out the page during class so kids can write their own diary entries to be displayed at the Book Fair.

We know your kids will love this invitation to get creative from Eva, the clever critter in **The Owl Diaries** and the new series **Eva the Owllet**, streaming on Apple TV+.
